

UNDERSTANDING THE 2nd DEGREE

*A talk by Bro Kevin Thompson
RWM Lodge Coupar o Fife No. 19*

- Why do we need a 2nd and 3rd degree, if we have already joined?
 - How does this differ from the previous degree?
 - What important symbols are used in this degree?
 - How true is the story?
 - What did the pillars really look like?
 - Why do the stairs wind?
- Is this just a stepping stone to the third - the one everyone enjoys?

*To find possible answers to these and
other questions
why not come and join us for the evening?*
