

14 February 2020

Dear Provincial and District Grand Secretaries

### **Scottish Freemasonry Survey 2020**

I am delighted to share details of the first ever membership survey undertaken by the Grand Lodge of Scotland. I have every confidence that your participation in this process and that of the Brethren in your District or Province will help inform our strategic thinking as we shape our organisation for the future. The survey has been designed for ease of access, and should take no more than 10-15 minutes to complete.

Please be assured that the survey is entirely anonymous, and I would encourage all respondents to be open and honest with their answers. We are seeking to pool the collective insight and experience of our global membership, and the ultimate value of the survey output will directly correlate to the candour of your responses.

The survey can be accessed using the following link:

<https://www.surveymonkey.co.uk/r/scottishmasonicsurvey2020>

The survey is now live and will be open until the end of April. We shall collate the results and produce a report which we plan to share in the autumn. Should you have any questions during the period the survey is live, please email [dbmember@grandlodgescotland.org](mailto:dbmember@grandlodgescotland.org) with the word **SURVEY** in the subject.

Please distribute this link to all Lodge secretaries in your District/Province and encourage all members to actively engage with this project.

Thank you for your participation in this exciting initiative.

Yours sincerely and fraternally

**W Ramsay McGhee**  
**Grand Master Mason**
