5th June 2020

Dear Brethren,

Here we are now in the tenth week of lockdown and I hope you are keeping safe and well and now able to have some family /friends visiting with the relaxation of restrictions although still maintaining the social distancing rules.

Unfortunately, this week I have had notification that a Brother in the Province has tested positive for Covid -19 and is self- isolating at home, this being a reminder to us all that the virus is still at large.

During the period of lockdown I am aware that a goodly number of Lodges are keeping in touch with their members via facebook/zoom etc. and would remind them not to forget those who are not on social media and to revert to a good old fashioned phone call. Also some Lodges have been assisting with community projects, be it physical or monetary, and it would be appreciated if details these projects could be communicated to the Provincial Grand Almoner (Bro Ian Cameron email:- iancameron.inverurie@sky.com Mobile :- 07831 772730) so that we can get the overall picture of the support being undertaken within the Province.

Further to the Grand Master Mason's update regarding the Coronavirus Business Support Fund I am pleased to say that a number of lodges within the Province have submitted claims which have been successful.

In the meantime, Brethren, I urge you all to stay safe and keep in touch in the hope that we can resume some Masonic activity in the latter part of the year.

Sincere regards to you all and those around you,

Jim
